

## Testimonials

"We asked Nan to take our family picture, which consisted of ten people, including our preschooler. Nan was great with such a large group, being very flexible, and adapting well to the different personalities with which she had to deal with. She made our photo shoot fun, (which was very important to me, as not everyone was excited as I was about having our family pictures taken!) and she was very professional at the same time. In the end we were very happy with our family picture, and have received wonderful compliments from friends and our extended family." - Tomi Rand

*We are so pleased with the quality of Nan's photographs. Nan is very creative in her photographic compositions and her packages are offered at a reasonable price. To top it all off, she is so much fun to work with! It is obvious she loves her work...and so do we! Thanks Nan!*

I had Nan take photos of my son for his senior pictures. I had previously used a school photographer for my oldest daughter and just knew that he wouldn't relate to him. When I met Nan, I knew she and Tom would click. Thanks to Nan we have amazing senior pictures to enjoy.

Move forward two years, my youngest daughter is a senior and we return to the high school chosen photographer. We paid a \$300 non-refundable deposit to take printouts of so-called proofs home. Many of the photos had things in the background that shouldn't be there (like a hose). The photos didn't capture my daughter. We applied our non-refundable deposit for two 5x7's and a few wallets. I knew we needed Nan again. She was able to capture the real Erika. Needless to say, the photo I have hanging of my daughter is from Nan. I love it and you'll love working with Nan. – MaryAnne Barrett

I am the choir director at Sabino High School. I have had the pleasure of working with Nan's photography for the last two years. Nan has come in to take photos for Sabino's Musicals, and each year she has done a fabulous job and we always enjoy sessions with her. This year's group photo has become so popular, that the year book has asked if it may be included in the yearbook! That is very exciting for our program to earn an extra spot in the yearbook, and we owe that in part to Nan's amazing skills.

This year she also took our family pictures. We were so happy with how the pictures came out, and we are proud to display them on our walls. She makes taking pictures fun and relaxing, and that really helps my little ones open up and

give us those big smiles. We highly recommend Nan's Photo to anyone looking for fresh and unique photos! - Brianna Huish
